## Hi everyone!

Happy summer my friends! I hope you had a wonderful Canada Day celebration! I'm so proud to live in our amazing country! Here are some of the reasons I'm especially grateful to live in the Edmonton area:

1. Our beautiful river valley with 160 kilometers of maintained [multi-use trails!](#)
2. *Our vibrant food scene!*
3. *Festivals! Festivals! And more Festivals!*
4. *Markets! Markets! and more Farmers Markets!*
5. *Revitalization! From the new Walterdale Bridge and Provincial Museum to the development of The Quarters, our city is becoming truly world class!*
6. Our gorgeous Legislature Grounds!
7. The way we embrace being a winter city!
8. *We have a funicular! Whether you like it or not, you have to admit it's not something many other Canadian cities can brag about!*
9. All the new bike lanes! Controversial as they are for some, they show our city's commitment to being green and bicycle friendly.
10. The people! Have you ever visited a friendlier city? And have you ever seen a city full of volunteers like ours? Edmontonians are the best neighbours anywhere!

What do *you* love most about living in the Edmonton area?

## Cayden
